

Capability Statement

Core Competencies - Sandlot Medical, a D.B.A. of Yellow Jacket Medical is a minority owned small business in Scottsdale, Arizona focused on providing high quality diversified Durable Medical Equipment and Supplies. We are medical sales professionals that work extensively with VAMC Facilities as well as Mental Health Clinics.

We have extensive experience with electrical stimulation devices, cranial-electrical stimulators, back bracing, extremity orthotics, diabetic and compression supplies, specialty mobility walkers, biologics, and PPE. Sandlot Medical is also the official Arizona Distributor of Alpha-Stim (EPII, Inc.)

- Alpha-Stim (EPII, inc)
- Upwalker Mobility
- Thuasne USA
- BraceSox
- Nurokor USA
- Applied Biologics
- BSN/ESSITY

Past Performance -Sandlot Medical has delivered durable medical equipment and supplies to VAMC facilities nationally.

Differentiators - Sandlot Medical has been proudly serving the Department of Veterans Affairs as minority owned/operated small business that has been an approved vendor since 2014. We partner with numerous companies with FSS/GSA contracts as their official distributors.

In addition, we provide a variety of equipment/supplies as open market vendor items, if items are not available on FSS/GSA contract. Our experienced team members also work clinically with patients to provide proper education and training.
